June 21, 2017

Dear Grandma,

Thank you for the skateboard that you sent me for my birthday. I love it and have been practicing riding it already. I have fallen several times, but I am getting better all the time.

I hope that you are enjoying your flower garden this summer and that the rabbits are not eating your tomatoes. I picked beans yesterday and filled an entire bucket.

I am looking forward to visiting you in July. Tell Grandpa hello.

Love,

Jake
